## Commodore Pete Maxwell

Ladies and Gentlemen-Start your engines. The Indy 500 was cancelled this year, but not our boating season. Come Hell and High Water our Marina will be filled with our boats, our families, our friends and our coolers. Sticks and stones and the C-word aren't going to break our bones. The will of TSC is strong. Thanks to Ryan Kurtz and our board for some tough love to get us opening the Club. Special thanks to Walt VanDromme, our Covid-19 Czar, for his expertise. Don't pin the tail of the Donkey on him, however, if we have missteps along the way. Many, many thanks to everyone who kept breaking up the Beaver dams at our docks. Those pesky Beavers. The props might have to be outfitted with chain saw chain! TSC has lost 3 more members, Betsy Wurtz, Lee Baker, and PC Jim Wolfe.

Our hearts gently weep with sadness on their passing. Lady Carolyn and I met recently at RVC with AYC Commodore Stan Z and RVC Commodore Trent Z and others for dinner. Their kitchen and food have long-standing reputation of excellence. Obviously lots of boating events have been cancelled or postponed. We attended a small ceremony at MRYC for a blessing of boats, docks and health and safety. A Priest for a Prayer, The Canadian National Anthem and of course, Oh Say Can You See...The White uniforms were on display. Somehow a picture in the Blade was not Lady C and myself, but was captioned as us. Another moment of glory lost. Fake News I guess, HA!

*Lady Carolyn...Oh wasn't the Spring and Spring became a Summer. Who'd have believe you'd come along. And when I hurt hurting runs off my shoulder how can I hurt when holding you. Sweet Caroline, good times never seemed so good...Neil Diamond- Commodore Pete Maxwell Clan TSC*

*June Birthdays:*

Kevin Stearns- 06/01	Kathy Jeskey- 06/10	Gerald Carlton- 06/23
Bert Bellville Jr.- 06/06	Levi Foltz- 06/15	Nick Curto- 06/25
Joe Lynch- 06/08	Brian Brown- 06/19	William Scruggs- 06/27
Stacy Slicker- 06/09	Dan Petro- 06/22	

*Vice Commodore Dan Maenle*

I know this has been a hard few months but it looks like we have turned a corner and hopefully June will bring some more normalcy to our lives.

Thank you so much to all of the members who worked long hours to get the club re-open under the new rules. Please be mindful of the rules set in place so we can continue to be open and hopefully begin to have some fun.

I am happy to welcome into full membership:  
 Jeff Hall, Taffy Herbert, Gary Justen, Paul Miller, Scott Phillips, Brian Richards, Kevin Stearns and Roger White

I would also like to welcome 4 new members into provisional membership:  
 Kailey Fry, Jennifer O'Connor and Craig Schaefer, Matthew VanDromme, Kay Bolles and Chad

If you see them at the club please welcome them!

*Looking forward to seeing you all at the club!- Vice Commodore Dan Maenle*

**Entertainment Report**

The bar is open at designated times. Please watch your e-mail each week to see when to the club is open. All other parties/activities are still suspended at this time.

**ATTENTION BOATERS:**  
**Maumee River under 75 bridge construction**  
 Please note that the left bank going towards Downtown Toledo is now open and the right bank, Hollywood Casino side, is closed.

## Fleet Captain Power Steve Stahl

So there I was...The weather held out for the Memorial Day weekend for the most part. Jessica and I hitched a ride on Dan Pollzzie's boat to Put In Bay on Saturday. This was a spur of the moment trip but, many of the usual crew made the trip. PIB was open for business with all the safeguards in place. This trip made me feel it is safe to lock in the plans for the annual TSC trip to Kelly's Island. Save the date for Aug 29-31. Please understand that everyone will make their own decision to attend or not based on where we stand at that point. I will keep you posted on this trip as we get closer. Unfortunately most of the other poker runs and Regattas have been canceled or postponed. If any one has Ideas for trips we can do using the state's guidance please let me know. Things like a meet up at the sandbar or maybe a club poker run. I am sure you'r all excited for the docks to open. I know Jessica and I sure are. We miss all of you and hope to see you on the water soon.

*We are in this together! -Fleet Captain Power Steve Stahl*

## TSCA President Tracy DeVries

Hello from the Auxiliary!

I hope everyone is staying safe, enjoying this warm weather and ready to get out.

Auxiliary Fundraiser: Tom Strain & Sons sales went very well. Enjoy planting your flowers.

Showcase news: We still have some new shirts, glasses and other signature items in the showcase - stock up for summer now before they're gone. Wear it proudly to represent TSC. Items do go by fast so stop by and get yours. We are working on

getting new items!!

Upcoming Auxiliary Dates to remember: TSCA Meeting to be determined. Possible zoom meeting.

Should anyone have any ideas for future fundraisers or showcase items please feel free to bring your ideas to our next meeting or email me at [TracyTSCA@gmail.com](mailto:TracyTSCA@gmail.com)

If you have any Auxiliary membership questions, please feel free to reach out to one of Auxiliary Officers who would be more than happy to help. Also if you know of a member's spouse, significant other or family member has not joined us, please bring them to the next meeting.

*Thank you members for making this club such a welcoming fantastic place to be. We will all get through this together! - TSCA President Tracy DeVries*

## Sunshine Report Mary Maenle

I am looking for some sunshine outside since I have some gloomy news to report.

Words fall short of expressing our sorrow to many of our TSC families who lost a loved one recently.

I am sorry to say Lee Baker passed away. My thoughts and prayers go to Pat and their family.

Betsy Wurtz, wife of John (Doc) Wurtz departed in April. I am thinking of you today and in the days to come.

Randy Fear lost his father. I hope you feel comfort and love from the great memories you have.

Also departed is Past Commodore Jim Wolfe. Please let Lady Charlotte know you are there for her in the coming days. Jim's helpful spirit and great laugh will be sorely missed.

If you have any news to report please contact me prior to the 21st of the month at [memj0445@gmail.com](mailto:memj0445@gmail.com).

*Sincerely, Mary Maenle Sunshine Reporter*

## Tropical Sangria

This Tropical Sangria combines sweet white wine with all things tropical! Perfect for summer - it's like a mini vacation right in your own backyard!

Prep Time 10 minutes / Total Time 10 minutes / Servings 4

### Ingredients

1 bottle sweet white wine\*

1 c. Malibu rum

6 oz. 3/4 c. or 1 small can pineapple juice

1/2 c. orange juice

Fresh pineapple oranges, strawberries, and kiwi, sliced

\*I use Barefoot Moscato Spritzer OR Barefoot Crisp White Spritzer depending on desired sweetness. You can also make it sweeter by using any white wine and adding simple syrup.

### Instructions

Combine all ingredients in a large pitcher and chill until ready to serve.

\*The more fruit, the better!

## JUST A REMINDER!

## [Stay Safe on the Water this Summer with these Helpful Boat Safety Tips:](#)

Emergencies are just that... unexpected events that you don't know are about to happen. What you can know is how to be as prepared as possible. The first step in preparing for an emergency is having a basic kit ready to go. Here are a few basic items that all boaters should have:

**Flashlight** – A flashlight and extra batteries can help you see around your boat in the dark and allow you to be seen if you run out of fuel or if your craft stalls.

**Duct Tape** – It's true... it's one of the most useful things you can have. Even a minor leak can be repaired with duct tape.

**Bailing Bucket**- Sometimes you just need to bail. If you do, a simple bucket can make all the difference.

**First Aid Kit** – A properly equipped first aid kit, plus the knowledge on how to use it, is vital in case of an accident or medical emergency.

**Good Knife**- You never know when you need to cut a line free from a prop.

**Whistle** – As a recognized signal calling for help on the water, a waterproof whistle is another must-have item.

**Ropes and Dock Lines**- Having a sturdy rope and dock lines are critical. If you ever need to be towed or lash something, having a rope and/or dock line can be a lifesaver.

**Fire Extinguisher** – Just because you're on the water doesn't mean you can't have an on-board fire. All passengers should know the location of your fire extinguisher and how to use it.

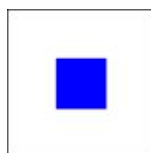

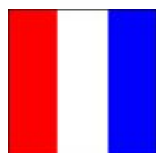

[A few safety reminders that can certainly help protect us: \(To put some positive thoughts toward the upcoming boating season I thought it would be beneficial to reissue some safety advice from a past article from Former Fleet Captain Ryan Miller\)](#)

1. Be sure to inspect your electrical connections and systems to ensure everything is tight and corrosion-free. No one should get into the water in any marina.
2. Consider installing or checking a number of safety detection devices that can save your boat, or more importantly you. Smoke and carbon monoxide detectors in the sleeping areas have been written about recently and are always a good idea. High-bilge-water and gasoline vapor detectors down in the engine compartment.
3. If you're a member of Boat US, download the Boat US app on your phone to get instant access to your services, weather forecasts/advisories, and request a tow.
4. Another useful app is from the US Coast Guard. Safety equipment checklists, requesting a Safety Check, filing a float plan, brushing up on the "Rules of the Road", reporting a hazard, etc. You can also populate a profile with your boat and contact information. In case of an emergency there is a one touch call button that shares your location and information.
5. For those that were able to attend the "Suddenly in Command" class last year, I'm sure you would agree that educating your guests about the basics of your boat is always a good idea. Most times we're in a hurry to get moving, excited to get the trip started, or just don't think anything will happen. Taking the few minutes to make sure people know where life jackets, fire extinguishers, throwables, etc. are at could prove life saving.
