COMMODORE PETE MAXWELL

Mother's Day came early for Daphne Cherry. TSC Love to Landon Todd Cherry who was born on Todd's Birthday. This is number one on my ink list. The Birth and Gift of New Life. It's all about the children. May 9 is for the Moms (Mums) past and present. Miss you IAM. The Club Bus Trip to Five (!) Clubs was full of TSC spirit. Many thanks to Swan, Elba-Mar, Seaway, Detroit Beach, and BayView for the delicacies laid out and even more so the number of their members that gave big welcomes to us. FC Steve Stahl led the charge as we captured four Burgees! A 2021 Spaghetti Fest was held at MRYC as we were served by the 2020 Commodores. Thanks to all the Italians! We had our first

Homecoming meeting and will still be looking for HELP! Hugs and non-Covid kisses to Joan and PC Stacy Slicker for the Reverse Raffle party that helps fund the Commodore Ball. A packed House enjoyed the evening. The delicious dinner was Pasta Bake that RC April and the B-Team provided. Many people to thank. It seems like week after week we are humbled by all of you. Take another Piece of My Heart. May 16 is National Armed Forces Day. The Military Oath is to Support and Defend the Constitution against all Enemies Foreign and Domestic. Thank You. The South of The Border Party at BVYC was a prelude to the Summer. Commodores Dave Paitlin, Jim Balogh, Chris Batch, and myself with our Bridges made it Great. Special shout out to PC Tony Blank, PC Michele VanDromme, and PC Chris Jureck the Real MVPC's of this party. The TSC Bridge including FC Steve Stahl, Lady Amy Petro, Gentleman Steve Flores, and Lady Carolyn did some heavy rowing. Orange and White Shirts are The Dream Team! Docks have started waiting for My Old Kentucky Home to enter the water. The Big Show-Opening of The Port at MRYC is May 29 with Breakfast at TSC. The White Hats are coming One by Land Two by Sea! Last month I mentioned the Parting of The Red Sea and sure enough on April 4 the CARGO SHIP EVER GIVEN was stuck sideways in the Suez Canal for 4 days blocking The Red Sea and the Mediterranean passage. Only God knows how! Keep your Vessels straight, Folks! To me many things seem like a movie is happening. I'm ready to take a Quantum Leap. Lady Carolyn....Wake up Sunshine.. Open up your sleepy eyes for me.. Can't have you hidin'.. I've been waiting all the night..People waiting for the Light..Sunshine,Sunshine.

VICE COMMODORE DAN PETRO

Hello fellow members-

Spring is finally here. The shrink wrap is coming off the boats, the seawall is close to being completed and dock installation is underway which means we are getting closer to putting the boats in the water.

On behalf of the Toledo Sailing Club, let's congratulate Susan Meadows, Ryan Maraldo, Dylan Russell, Kyle King, Nathan Smith and Zay Cohen, all of whom were voted into Provisional membership. If you see someone new around the club, please be sure to say hi and welcome them.

This brings our membership to 176.

Don't forget to get your club work hours in. There is plenty to do around our amazing club from a party, mowing the grass on the sunny days, to cleaning or organizing the club house on a rainy day. Whatever your ability or skill set, there is something for everyone to do.

Camaraderie at the club is ongoing...Come out and enjoy your club!

If you know of anyone that is interested in joining the club, or has questions about membership, please have them stop by the club or contact me by email tscvcpetro@gmail.com

- Vice Commodore Dan Petro

REAR COMMODORE APRIL FLYNN

Spring has sprung! Hopefully we are done with the snow and frost, but as last year has taught us, expect the unexpected. Either way, we have proven that our club is resilient and can weather anything.

Thank you for your continued club support for all of our events. We started the month off with our final Friday Fish Fry. Many thanks go out to Marc Snyder, Dayna Peiffer, Brandy Maples, Michele VanDromme, Linda Ramlow, Jerry Broshious and Jodi Flores along with Phil Przybylski for filling in at the end. They were a success and well attended because

of them and all of you! PC Jeff Sanford's Sunday Breakfasts are always the best way to finish the weekend off. Thank you Jeff, for waking up and preparing a great meal to start our day. Looking forward to his grilling that he wants to start up soon.

We are starting May off with a Derby Party on May 1st, followed by a Bunco Night on May 7th. We are always looking for members to step forward and host an event. Thank you to Kim and Phil Przybylski along with Lori and Jeff Brown, and Jodi and Juan Garibaldo for hosting these events. It takes all of us, to make it great. Please support them and our club.

Our weekends have been busy with room rentals and I would like you to remember that all events as of this time are brought to the board and voted on at their meeting which is first Tuesday of every month. We are still under Covid guidelines, so masks, maximum attendance, CDC guidelines, ongoing and post-cleaning, and patience keep us all safe and open. It is our club and all of the members matter. We want to continue on a positive way forward and it will take all of us to make this happen.

With May, brings more work. That is not a bad thing so get your work hours in. Docks are going in, grounds need to be maintained, the club needs to be cleaned, but we also need people to step forward to help with events and host a Friday or Saturday night dinner, or just to help or clean up. We also have an Opening of the Port Brunch on May 29th, that we need a lot of hands to help make happen. Step forward new members or old. It is always appreciated and easy way to socialize and serve a purpose. I love multi-tasking.

To many more sunrises with you all!

- Rear Commodore April Flynn

FLEET CAPTAIN STEVE STAHL

So There I was...Happy Spring all!

As boating season is approaching us, very rapidly, our club is doing some awesome things! The seawall project is well on it's way and is turning out amazing. I was unable to work the docks this weekend but I did have a chance to stop down and see the progress. I was very impressed to say the least! The TSC family is hitting it well out of the park. If you have not had a chance to stop down and see the construction please take the time to check it out. I want to thank everyone that is putting in long hours

to make this happen!

As always TSC made me proud with the outstanding turn out at the South of the Border party this year at BVYC. For those of you that do not know South of the Border is a fundraiser for the annual Opening of the Port celebration. We all had a great time.

A block of docks have been set aside for TSC reservations for our annual Kelleys Island trip Aug 27-29 at both Seaway and Portside marinas. This year for Portside you can reserve a dock on their website. Call Seaway to reserve your dock. Some of the MRYC members have expressed interest in joining us on our Kellys Island trip so this year we have extended an invite to them. I am told that back in the 90's MRYC was part of the trip. Commodore Pete Maxwell and myself decided to welcome our neighbors down the hill. The more, the merrier.

Please watch the TSC Fleet Captain Facebook page for the latest information for moving our TSC Fleet.

That is all for this trip and hope to see you all soon!

-Fleet Captain Power Steve Stahl

SUNSHINE REPORT MARY MAENLE

May is here, the days are getting warmer, and the boats will be in the water before we know it! It's been great to start getting back out and seeing people again.

Todd and Daphne Cherry welcomed Landon to their family. He was born on April 20th. Congratulations! We can't wait to meet him.

Please keep your TSC family and friends in your thoughts and prayers.

If you have anything you would like to put in the waterline, please contact me by the 21st of each month at memj0445@gmail.com.

TSCA PRESIDENT TRACY DEVRIES

Hello from the Auxiliary!

Hopefully Mother Nature has gotten the cold out of her system and warmth is around the corner.

What is the Auxiliary: The purpose of the Auxiliary is to offer assistance, promote and lend support to TSC projects and to encourage interest and activity in all forms. TSCA meets once a month, 3rd Wednesday, at

the same time the club's general meeting is going on to plan for upcoming events. The Auxiliary has proven to be a valuable partner of the Toledo Sailing Club. The Auxiliary has helped with Homecoming, meals, planned social events, been involved in community projects and raised money for club improvements through fundraising and the sale of items from our Showcase.

Significant other/spouses of TSC members and TSC children 18 and older can be members of the Auxiliary.

Membership: Only \$10.00 a year. Know a new or old member - bring their significant other to the next meeting and you both will receive a promotional item from the showcase. We are looking to do a membership drive party within the next couple months. Come see what we are all about and how you can make a difference in the club.

Congratulations to Shawn Earle on winning the Booze Basket! Thank you everyone for donating to the basket to make it a great success.

Upcoming Fundraiser: Flower Sale - We have again partnered with Tom Strains & Sons for plant and flower sales. Sales have started and will run through May 8th. Please fill out the flyer and a voucher will be given to you to pick up your plants and flowers between May 14th - 25th. (Please refer to Flyer)

Showcase News: Come check it out. Lots of items: shirts, glasses, blankets and other signature items. New items will be going in. This month's Item will be TSC Hats and UV long sleeve shirts.
