COMMODORE DAN PETRO

Hello fellow Members...It's time for another boating season and who better to enjoy it with than your TSC friends and family!

Since last writing, Lady Amy and I have attended Toledo Yacht Club's Ball honoring Comm. Chris Davis & Lady Brooke as well as Harbor View Yacht Club's Ball honoring Comm. Adam Degg & Lady Katrina. This month we will be attending Maumee River Yacht Club and Detroit Beach Boat Club Balls.

I would like to thank all who supported and helped make my Commodore Ball Fundraiser such a successful event. A special thank you to IHBC Comm. Andy Simpkins for the the delicious smoked pulled pork. We cannot thank him enough and we look forward to having more of his smoked dinners at Homecoming. Thank you to PC Barb Pfliegaar, PC Michele VanDromme and Karl Kreft for the delicious sides, PC Stacy Slicker & Lady Joan and Lady Mary & Madeline Maenle for organizing and running the event. Your help was truly appreciated. And thank you to all of our sponsors for the donations and especially to the members that stepped in to serve the dinners, cleaned up and helped with raffles.

Opening of the Port at Toledo Yacht Club is May 28th. Flag officers and Past Commodores are invited to take part in the ceremony, and anyone can view the event from shore.

TSC Homecoming is quickly approaching and we will have a planning meeting on May 4th at 6:30 pm, so please stop down as this is one of our biggest events and we are looking for new and creative ideas as well as help by all.

Please keep Lady Mary's mother and the Maenle family in your thoughts and prayers. Lady Mary updates us monthly in her Sunshine report with what going on with our TSC families and reminds us that many people have battles we know nothing about. I just want her to know that we are thinking of them as well during this time.

-Commodore Dan Petro

VICE COMMODORE APRIL FLYNN

May is here! Docks have been started! We need to encourage all able-bodied members in need of work hours to use this opportunity to assist with dock installation.

At the April general meeting we voted in the following members into full membership: Susan Meadows, Kyle King and Ray Lemble.

We would also like to welcome back James Meadows into full membership, and Seidona Avery-Lather (Darrell) and Jeffrey Jones (Irene) into provisional membership. I will be scheduling orientations, but if you happen to see them, please be sure to welcome them into our TSC family.

Our membership is growing and it is important that we are aware, respectful and kind to others and our surroundings. Be kind, courteous, respectful and pick up after yourself. My class is helping me write this, but you are never too old to be reminded.

If you know of anyone that is interested in becoming a member, please have them contact me at tscvc22@gmail.com

Looking forward to many more sunrises from my perch,

VC April Flynn

REAR COMMODORE BRIAN RICHARDS

Hello club,

Docks are almost in, the days are longer, and air is warmer. Before we know it, we'll be working on our tans and reveling at the sandbar and Woodtick. Visions of the 80s Party are still dancing in my mind—oh what a night. Fish Fry season was a huge success. Thank you PC Marc, Dayna, Brandy, and all the others who had a hand in bringing these together.

Without them, we might have had to fall back on filet-o-fishes. Coming up in May we have a Hanging Basket Sale and available brunch on May 1st. Hump Day Burger Night on the 4th, the Derby Party on the 7th, and Opening of the Port on the 28th...The fun keeps coming.

As always, work hours are always available. Please contact me at rearcommodoretsc@gmail.com for details on upcoming events and work opportunities.

See you on the seawall soon.

-Rear Commodore Brian Richards

FLEET CAPTAIN RYAN MILLER

Hello everyone and welcome to the best month of the year! (May the 4th be with you)

First, I want to thank Tyler, Bobby Briggs, Dan Maenle, Jeremy, Karl, and all of our members that have put in numerous hours leading groups on the docks, water line replacement, gate access system upgrades, sprucing up our grounds, etc. to get our club ready for summer fun (I know I could list many more). Our club only runs as smoothly, and looks as good, as our members willingness to donate their

time, talents and effort! PLEASE step up and chip in as we are all volunteering our time for the good of the club – we are not a 'do the minimum' kind of Club.

As of this posting, I assume our South of the Border fundraiser at MRYC is behind us and fun was had by all. A great way to kick off the summer season is to attend the Opening of the Port ceremony on Memorial Day weekend. It is an annual event coordinated between TSC, MRYC, BVYC and TYC, and alternates ends of the river each year. See the flyers for all the planned events, but the day is great to support the clubs, meet new people, or reconnect with others as the boating season gets started. If you have a boat that can hold you, a first mate, and about 8 others, we are always in need of captains to host a group of officers for the boat parade that Saturday! If interested, please reach out to any Bridge Officer.

I want to take this chance to reach our members who are not following the TSC Fleet Captain Facebook page. The page is intended to be a closed group for TSC members to share boating information, FC events, and especially last-minute coordination & details, so please consider requesting to join so you can have another way to get in the know about your club! An example would be I just scheduled an annual Vessel Safety Check at TSC on Saturday, June 4, from 10:00 – Noon with the USCG Auxiliary. Another is a post to gauge interest in a 'Suddenly in Command' class that could be taught at TSC with enough participation. Finally, I try to post boating-related articles such as new fire protection regulations for recreational boats this year, different nautical knots & their best uses to name a couple.

Finally, PLEASE submit stated boat paperwork and insurance with TSC listed as additional insured to Dock Committee (Tyler, Jeff C, Jeremy or Steve S), if not already submitted by Dock Bids. Each year they put in too many hours chasing people down for the same. We don't want to deny anyone bringing their boat in once the docks are opened up because of paperwork!

Let's have a great kick-off to the summer!

SUNSHINE REPORT MARY MAENLE

Thank you to everyone who has been working to get the docks in and ready for the season. The boats will be in the water before we know it.

Please offer condolences to Heidi Axtell (Bob) and family on the loss of her father Terry Brocus on April 1st. Try to keep them all in your thoughts and prayers during this difficult time.

Congratulations to grandparents Bob and Chris Porter on adding two new additions Landon and Alaina on March 25. Proud parents Bri and Matt Metzung, along with big brother Noah are doing well and enjoying their time with their new family of 5.

If you have anything you would like to report please contact me by the 21st of the month to include your news in the sunshine report.
