- A. The fiscal year shall be November 1st through October 31st.

Applications must be signed by two (2) sponsoring Active members of one (1) year standing and be accompanied by a fee consisting of Five hundred dollars (\$525.00) covering two hundred dollars (\$200.00) initiation fee and one year's Active member dues.

The application shall be read at the regular board meeting following receipt, and referred to the Membership Committee for investigation. The applicant's name along with his/her sponsors'

names shall be posted at the club for the two weeks following the board meeting during which time any Active member may voice his/her objection to said applicant by submitting his/her objection in a signed written statement to the Board of Directors. All new member applicants shall be interviewed in accordance with the Constitution and By-Laws. The Membership Committee shall report its findings at a special Board meeting, which shall be held just before the regular general meeting. If the Board deems further investigation necessary, the application shall be held until said investigation is completed. If Board deems the application acceptable, and subject to any limitation of membership in the Constitution, the application shall be submitted at the next general meeting with the Board's recommendation to the membership for election or rejection to provisional membership. Unless waived by unanimous vote of the general membership present at such meeting (in which case election shall be by voice vote), election to provisional membership shall be by written ballot.

- B. No rejected applicant may reapply for membership during the six (6) month period following rejection.

A Provisional member voted into Active membership in August, would be required to work 4 hours prior to October 31.)
 - 3. At the end of twelve (12) months following election to provisional membership, the Membership Committee shall, within thirty (30) days, review conduct, work hours, Club involvement (including fulfillment of the work hour requirement) of the Provisional member and shall report to the Board of Directors their findings, who will in turn report to the general membership their recommendation for a final vote for active membership.
